July 2019 - Present (10 months)

Africa

Bliss Productions

KASALA! (Film Director)

January 2018 - October 2019 (1 year 10 months)

Lagos, Nigeria

Kasala! is a vivid portrayal of contemporary Lagos and a riotous combination of physical comedy, inventive turns of phrases combined with fluid camera work and committed performances from some of the young and bright African acting talents.

Written by Temi Sodipo and directed by Ema Edosio was chosen for the closing gala of the 2018 edition of Film Africa in London this November, out of a total of 39 films from 15 countries. Kasala! was accepted to 30 international festivals and has won 9 international awards.

BBC

2 years

Video Journalist

January 2018 - May 2019 (1 year 5 months)

Nigeria

Broadcast Journalist (Video)

2017 - May 2018 (1 year)

Lagos Nigeria

Work with other members of the Pidgin and Nigeria team, and the wider BBC Africa newsroom, to identify and produce creative and innovative video news content.

To originate innovative formats for BBC Pidgin social media posts best suited for each social network, including Facebook and Instagram and optimize these formats using social analytics and then champion the use of successful formats across the team.

Re-version BBC material with a mobile audience in mind.

To create multimedia content for publication on social media and the BBC Pidgin mobile audiences, as appropriate and to the required specification whilst maintaining professional journalistic standards of accuracy, impartiality and adhering to the BBC's Editorial guidelines.

Research, storyboard and produce stories.

Create headlines and video teasers to promote our stories and reach to as wide an audience as possible.

To show visual creativity in the use of pictures and graphics to illustrate and explain fast-moving events and complex stories

Oversee online content programming and content creation – which includes: shooting, editing and uploading publisher content.

Help partners to leverage Google+ as the primary online platform to promote content.

Train partners on optimizing the content on their YouTube channels using the principles in the YouTube Creators playbook. Optimization should include metatagging, annotations, channel branding and video categorization into playlists.

Train partners on creating Google+ posts - text, photos and videos – around announcements, press releases, activities and high-profile events

Help partners integrate Google+ tools into their offline media activities - which may include print, TV and radio programs

Spice Tv

Content Producer

January 2014 - March 2014 (3 months)

Lagos Nigeria

I produced two television shows called HAIR AND BEAUTY FACTORY and HAIR AND BEAUTY WITH for SPICE TV.
